Annual Club Gift Campaign

Supporting children worldwide

Annual Club Gift Campaign

Each year, the Kiwanis International Foundation conducts its Annual Club Gift Campaign from October 1 through September 30, to provide the Foundation with an unrestricted source of income. Results totaled US\$7,000 when the program began in 1968. Proceeds now exceed US\$650,000 per year.

Contributions to the Annual Club Gift Campaign of US\$5 per member help the Kiwanis International Foundation meet the needs of children worldwide through grants, scholarships, and disaster relief.

Your Kiwanis International Foundation to date has contributed more than US\$68 million to directly help children lead happy, healthy, and productive lives.

Supporting Children worldwide

Recent grants awarded by your Foundation include:

California-Nevada-Hawaii District Kiwanis Bloodmobile: To purchase a three-bed, self-contained bloodmobile that will be operated by a local blood bank—Houchin Blood Services. The bloodmobile will serve blood donors who are unable to visit an established blood bank.

Kiwanis Club of York-Leicester, New York, Kids in the Park Concert Series: To provide a four-week educational concert series for children up to age five, impacting about 3,500 parents and children. Each program day consists of a live educational children's performance, community outreach from agencies, free picnic lunch, and the opportunity for families to network, ultimately strengthening families and building stronger communities.

Downtown Kiwanis Club of Little Rock, Arkansas-Pfeifer Kiwanis Camp's Alternative Classroom Experience: To provide a free summer residential camping program for at-risk children between the ages of eight and 14. The objective of the program is to provide youth involvement, help prevent high-risk behavior, and organize long-term follow up.

"Key Club Study Abroad" (KCSA) scholarship program with AYUSA: To provide eligible Key Club members from across Key Club International districts with additional financial support to study abroad.

Kiwanis El Salvador Del Mundo, Kiwanis Village Water Management Project: To provide drinking, waste, and rainwater management facilities, including the acquisition of pumping and waste water treatment equipment for a village affected by earthquakes in 2001. Those benefiting from Kiwanis Village are currently living in unhealthy conditions, amid puddles of water that create a great health risk for approximately 600 children.

Supporting the Kiwanis family

Your club's continuous support to the Annual Club Gift Campaign allows the Kiwanis International Foundation to assist Circle K International and Key Club International in developing their youth funds, scholarship, and grant programs.

Assisting victims in crisis
