Each year, the Kiwanis International Foundation conducts its Annual Club Gift Campaign from October 1 through September 30 to provide the Foundation with an unrestricted source of income. Results totaled US\$7,000 when the program began in 1968. Proceeds now exceed US\$650,000 per year.

The Annual Club Gift Campaign is the Foundation's primary source of income, and helps it determine which projects it can support each year. All clubs are asked to participate by budgeting a specific dollar amount to contribute to this important campaign.

Participating clubs are asked to contribute at a **suggested giving level of US\$5 per member**.

Club banner patch awards are presented to participating clubs. A Century Club patch is given to clubs contributing a minimum of US\$100 for the first time.

- Districts that achieve **100%** of their clubs contributing to the Annual Club Gift Campaign are entitled to **five** district matching scholarships for both Key Club and Circle K.
- Districts that achieve **95%-99%** of their clubs contributing to the Annual Club Gift Campaign are entitled to **four** district matching scholarships for both Key Club and Circle K.
- Districts that achieve **85%-94%** of their clubs contributing to the Annual Club Gift Campaign are entitled to **three** district matching scholarships for both Key Club and Circle K.
- Districts that achieve **75%-84%** of their clubs contributing to the Annual Club Gift Campaign are entitled to **two** district matching scholarships for both Key Club and Circle K.
- Districts that achieve **74% and below** of their clubs contributing to the Annual Club Gift Campaign are entitled to **one** district matching scholarships for both Key Club and Circle K.

Contributions to the Annual Club Gift Campaign help the Kiwanis International Foundation meet the needs of children worldwide through grants, scholarships, and disaster relief. Your Kiwanis International Foundation to date has contributed more than US\$68 million to directly help children lead happy, healthy, and productive lives.
