Memorial and tribute gifts honor special people, events, and occasions in our lives. Whether it is the celebration of a birthday, wedding anniversary, the life of someone significant that has passed, or any major happening in life. These respectful gifts offer the recognized person(s) or bereaved family the satisfaction of knowing a contribution was made on behalf of their loved one that supports the Kiwanis International Foundation's efforts in serving children both locally and internationally.

[Click here](#) to make a secure, on-line Memorial/Tribute contribution.

Please note that contributions to the Memorial and/or Tribute Program now benefit children in your district. Our Kiwanis International Foundation will process all funds and send 50 percent of the monies received through memorials and/or tributes to the contributing donor's district foundation on a regular basis. The Kiwanis International Foundation Board of Trustees recently approved this amendment at the October 2003 board meeting.

As previously mentioned, any gift can be designated as a memorial or tribute gift. When making your gift, please attach information that includes the name of the person(s) you are memorializing or honoring, including the family contact name and address (for memorials) or the individual's name and address (for tributes). We will responsively contact the family or individual to share with them your thoughtfulness.

You may also choose to order your memorial or tribute cards in advance. With these cards you merely fill in the name of the person you are memorializing or paying tribute, include your name and mail the card to the appropriate person or family. Four cards are provided for a minimum contribution of US\$100.

Please contact the Kiwanis International Foundation for more details, 317-875-8755 (worldwide), ext. 156, [e-mail](#), or [click here](#) to make a *secure, on-line* Memorial/Tribute contribution.
