

# New England Kiwanis Yellow Pages *on the Internet!*

In conjunction with the goal of increasing networking in Kiwanis, we have created a new Kiwanis "Yellow Pages" on the Internet of business people in our organization.

Business cards are sorted under headings like Accountant, Advertising, Attorneys, Communications, Insurance, Restaurants, Security and more. We'll customize your heading too!

All categories and cards are linked on our web site, [www.newenglandkiwanis.org](http://www.newenglandkiwanis.org). and are a resource for *people everywhere* to do business with you.

**The program includes the following:**

- ~Your business card categorized with other similar businesses
- ~Your business card (enlarged) on its own page
  - ~Your name and club name
- ~A link to your business and/or e-mail address

**\$50 for one category  
\$25 for each additional category**

**(Cards will be posted for TWELVE months.)**

**Questions? Email [yellowpages@newenglandkiwanis.org](mailto:yellowpages@newenglandkiwanis.org).**
